

TO ALL B.C. ROYAL PURPLE LODGES

The B. C. Family Hearing Resource Center is the Main Charity of our Association. As such we all should endeavor to promote the Hearing Center in our respective Communities. Remember to include the Family Hearing Resource Center in your Charitable Budget.

This past term our Committee has sent out twelve notices to Lodges where the Workers of the Hearing Resource Center have been visiting. Nine of these were in Vancouver Island, they have been very busy in that area. One notice went to Prince George, one went to Dawson Creek and one went to Salmon Arm.

Dyan Spears was invited to visit the Salmon Arm Elks Lodge on February 18, 2009. Dyan elaborated on all of the things that she did on our Community with our Doctors, Audiologists, Day Care workers, Speech Therapists, Health Unit and Families. Dyan advised us that now they are starting screening with Babies right from Birth. It was a very interesting Evening. We all learned of the number of different services provided to the Communities by the Hearing Resource Center.

When you are advised that a Worker from the Hearing Resource Center is in your area, an Invitation to visit your Lodge would be appreciated.

B. C. Royal Purple Association Outreach Committee.

Pat MacLeod, Marie Thistle and Eleanor Scott

February 19, 2009

From left is Pat McLeod, Peter Klymchuk. Salmon Arm Exalted Ruler. Lodge 455 and Dyan Spears. She attended the Salmon Arm Elks meeting on Feb.18,2009 and invited the Salmon Arm Royal Purple Ladies to hear what she had to say.
